PRESENTATION

The name of this Climat is derived from that of the ancient Roman road that went up the hill towards Tonnerre.

Located on the right bank of the Serein river, facing the Grand Cru "Blanchots" Climat, the vines, which are planted on medium to steep slopes, benefit from western exposure.

The purity of the subsoil, which is very similar to that of the "Les Blanchots", with scattered veins of blue clay, lend the wines their noble kinship.

VINIFICATION/AGEING

Handpicking, sorting of the grapes, gentle pressing so as to respect the fruit.

Alcoholic fermentation and aging on fine lees in 4 to 5-year-old oak barrels for 10 months.

Finished aging in stainless steel vats for 2 months.

TASTING

Fresh, fine, typical nose boasting notes of white-fleshed fruit and marked minerality. The palate is elegant and sophisticated, with a hint of oak on the finish.
